

# Indian Institute of Food Processing Technology Thanjavur

## ADMISSION FOR THE ACADEMIC YEAR 2021-22

### Post Graduate Programmes

**M.Tech. (Food Technology) in Food Process Engineering**      **2 years (4 semesters)**

**M.Tech. (Food Technology) in Food Process Technology**      **2 years (4 semesters)**

**M.Tech. (Food Technology) in Food Safety & Quality Assurance**      **2 years (4 semesters)**

### Doctoral Programmes

**Ph.D. (Food Technology) in Food Process Engineering**      **3 years (6 semesters)**

**Ph.D. (Food Technology) in Food Process Technology**      **3 years (6 semesters)**

## **Subject Eligibility for M. Tech. (Food Technology)**

### **M.Tech. (Food Technology) Food Processing Engineering**

Candidate should have passed a 4 years B.E. / B.Tech. degree in any of the following discipline like Food Technology / Food Process Engineering / Agricultural Engineering / Agricultural and Food Engineering / Food Technology and Management / Food Processing and Preservation Technology / Dairy Technology / Food Science and Technology / Food Processing Technology / Post Harvest Technology / Fisheries Engineering.

### **M.Tech. (Food Technology) Food Process Technology**

Candidate should have passed a 4 years Bachelor's degree in any of the following discipline like Food Technology / Food Process Engineering / Agricultural Engineering / Agricultural and Food Engineering / Food Technology and Management / Food Processing and Preservation Technology / Dairy Technology / Food Science and Technology / Food Processing Technology / Post Harvest Technology / Home Science / Food Science and Nutrition/Food Science and Quality Control / Fisheries Engineering.

### **M.Tech. (Food Technology) Food Safety & Quality Assurance**

Candidate should have passed a 4 years Bachelor's degree in any of the following discipline like Food Technology / Food Process Technology / Home Science, Food Science and Nutrition / Food Science and Quality Control / Food Process Engineering / Food Processing Technology / Post Harvest Technology / Industrial & Applied Microbiology / Chemistry with the proven knowledge in Food Science

## **Subject Eligibility for Ph.D. (Food Technology)**

### **Ph.D. (Food Technology) Food Processing Engineering**

Should have passed a 4 years bachelors degree and a 2 years M.E. / M.Tech degree in any of the following discipline like Food Technology / Food Process Engineering / Agricultural and Food Engineering / Food Technology and Management / Food Processing and Preservation Technology / Food Science and Technology / Food Processing Technology / Post Harvest Technology / Agricultural Process Engineering / Food Safety and Quality Assurance / Processing and Food Engineering.

### **Ph.D. (Food Technology) Food Process Technology**

Should have passed a 4 years bachelors degree and a 2 years Masters degree in any of the following discipline like Food Technology / Food Science and Technology / Food Safety and Quality Assurance / Food Science and Nutrition / Food Science and Quality Control / Food Process Engineering / Food Processing Technology / Process and Food Engineering / Food Technology and Management.
