Implementation of Examination Reforms

Office of Controller of Examinations has taken several initiatives to ensure fair and transparent End Semester Examination.

All precautions are being taken to minimize any error during Question Paper-setting, External Review, printing of question paper, conduct of examination, collection of answer books, dummy number allotment, central valuation and posting of marks on the answer books, award lists, result processing, declaration and Issue of statements of grades, various certificates including the degree certificates. High level of confidentiality is maintained during the entire examination process.

The Institution has initiated following Examination Related Reforms:

- All examination processes including pre-exam processes and post examination processes (such as result processing, publication and secure generation of grade sheets) are completely automated.
- Central Valuation Centre for Valuation of Answer Books at NIFTEM-T Campus.
- Integration of IT in all examination processes.
- The application server, the database server and the backup server reside at the NIFTEM-T.
- Moderation of Answer Books after completion of Evaluation Process by Result Passing Board members for final approval.
- Results are published online, available to view online through Institution Website.
- Availability of examination schedule and results on Institution Website.
- Issue of Hall ticket with photograph and printed examination schedule with seat number and hall number.
- Same day selection (among multiple sets of question paper) and approval for opening of question paper by the COE.
- Institution provide printed internal assessment format as per the internal assessment criteria to ensure fair continuous internal assessments.
- Revaluation facility is available for students to eliminate any error in evaluation and result processing.
- Various reforms at administrative level to ensure speedy processing of examination steps, complaints, correspondence, issue of various certificates.
