

## **GENERAL INSTRUCTIONS FOR SPORTS QUOTA ADMISSION (SQA)**

1. Admission through SQA will be managed through a separate portal operated by NIFTEM-T.
2. The SQA mode of admission will be advertised/publicized through NIFTEM-T website, and social media well in advance and have a time limit within which the students must submit their supporting documents in advance for verification.
3. The BTech Food Technology programme has only two Gender-Neutral Seats (Open to all candidates) allocated through SQA.
4. The online application portal for SQA will be open from 20-06-2025 to 12-08-2025.

### **5. Eligibility Criteria**

- The candidate should have obtained a position in the Common Rank List (CRL) or category-wise rank list in the JEE (Mains).
- The candidates must secure 75% in Class 12/Equivalent Qualifying Examination or must be in the top 20 percentile of the respective Board. For SC, ST and PwD candidates, the qualifying percentage of marks is 65% (For further details, visit: <https://jeemain.nta.nic.in/>).
- Candidates eligible for admission through SQA would then be given a score based on their performance/achievement in the sporting activities as below.

#### ***Points System***

<b>Competition/ Medals</b>	<b>National Level</b>	<b>International Level</b>
<b>Gold</b>	35	100
<b>Silver</b>	25	90
<b>Bronze</b>	15	80
<b>Participation</b>	5	50

6. A separate Sports Rank List (SRL) will be prepared based on the total score obtained by the candidates based on their performance in a specific list of sports mentioned in Appendix - A only. The seat allotment will be done based on SRL only. Mere presence in the SRL does not guarantee admission. In the event that there are candidates with the same number of points, the following tiebreaking criterion will be adopted.
  - Candidates with higher points at international level will be allotted the seat.
  - In case of a tie at the international level, points at the national level will be used for seat allotment.

- In case of a tie at both international and national levels, seats will be offered to all the candidates with a tie by creating additional supernumerary seats.
7. Points will be treated the same for “Individual” or “Team Events.” Tournaments (International and National) in sports disciplines recognized by the 58 federations recognized by the Ministry of Youth Affairs and Sports (MYAS), Government of India, ONLY will be considered for the award of points.
  8. The international and national events that will be considered for admission through SQA are listed in Appendix B and Appendix C in the order of their relative weightage.
    - The scores for each candidate will be calculated as follows:
 
$$\text{Score} = \sum_i W_i \times S_i$$
 where  $W_i$  is the weight of the  $i^{\text{th}}$  medal as shown in Appendix B or C and  $S_i$  is the points for the  $i^{\text{th}}$  medal.
      - For example, if a person wins a third place (bronze medal) in common wealth games and first place (gold medal) in Khelo India Youth Games, then,
 
$$\text{Score} = 0.9 \times 80 + 0.75 \times 35 = 98.25$$
      - The score thus obtained will be rounded off to two decimal places.
  9. It is noted that the difficulty level of playing at an international level depends on the kind of sport. To normalize the competitions across various sports and the number of participants in each sport/game, the following methodology will be adopted.
    - Participation/Winning a medal at the international level will be considered only if at least SIX nations participate in the particular sport/game.
  10. The SQA will consider the scores obtained by the candidates in the list of sports mentioned in Appendix A.
  11. The availability of facilities at NIFTEM-T is given in Appendix D, so that the candidates can continue to excel in sports.
  12. Important: Ragging is an offence; Students indulging in ragging either inside or outside the college will be prosecuted as per rule.
